Re: Noise Waiver Approval: Route 7 Corridor Improvements Extension
Record No: Noise 2021-00092

Date of Commencement: July 26, 2021

Date of Expiration: July 22, 2022

Dear Ricky Meyer:

This letter supersedes the previous waiver dated July 9, 2021 and is in response to an inquiry received June 17, 2021, for an extension of a previously granted Noise Waiver (2020-2451) for concrete barrier installation, restriping existing roadway, roadway embankment, modify signals/light poles, reconstruction of existing intersections, and erecting bridge beams located between Reston Avenue to Jarrett Valley Drive on Route 7.

Based on the provisions presented in Sect. 108.1-6-1 of the Noise Ordinance, as authorized agent for the Director of the Department of Planning Development, **I hereby approve** the waiver from Sect. 108.1-4-1(b) of the Noise Ordinance, which prohibits “Any action related to the construction, repair, maintenance, remodeling or demolition, grading or other improvement of real property in the outdoors between 9 p.m. and 7 a.m. on Sunday through Thursday, or between 9 p.m. and 9 a.m. on Fridays, Saturdays, and the day before a Federal holiday.”

This Noise Waiver approval is subject to the following conditions:

Administrative Requirements:

- All residential properties, or the property owner’s agent abutting the work areas, shall be contacted and provided with a copy of the work schedule and the approved Noise Waiver.
- The information contained within this Noise Waiver shall be disseminated to all persons operating construction equipment or vehicles at night, in association with this project. This condition shall include, but not be limited to, employees, contractors or sub-contractors, and motor vehicle equipment operators.

- A copy of this Noise Waiver must be kept at the construction site, and a copy made available to any person who requests such information.
- If necessary, changeable copy illuminated message signs are to be used to inform the public of the projected duration dates of this project. The changeable copy illuminated signs are to be installed in accordance with the Virginia Department of Transportation's (VDOT) requirements.
- The Department of Public Safety Communications (571-350-1710) shall be notified, every night before there is a partial closure or complete closure of any roads associated with this project.

Noise and Glare Mitigation Requirements:

- **The use of jackhammers, asphalt breakers, and hoe rams between the hours of 9 p.m. and 7 a.m. on Sunday through Thursday, or between 9 p.m. and 9 a.m. on Fridays, Saturdays, and the day before a Federal holiday (nighttime) is prohibited.**
- The parking, staging, loading, or unloading of any vehicle associated with this project must be in areas away from residential areas.
- All motorized vehicles and equipment used on this project must be equipped with proper mufflers.
- All lights used to illuminate the project site, including any staging areas related to this project and subject to this Noise Waiver, shall be directed downward and away from all residential area and occupied commercial buildings.
- The banging of tail gates is strictly prohibited. Brief the drivers associated with this project daily about this prohibition.
- Reasonable efforts should be made to minimize the noisiest activities. These may include but are not limited to minimizing the use of back up alarms, reducing the use of residential streets, and limiting moving of materials in an unnecessarily loud fashion.
